### WASHINGTON

#### EXECUTIVE ORDER

October 5th, 2018

By the authority vested in me as President by the Constitution and the laws of the United States of America, it is hereby ordered as follows:

##### Section 1. Prelude

- (a) Recognizing the lack of leadership input into development decisions causing conflicts within the Office of Management and Budget (hereby “OMB”), the following is enacted:

##### Section 2. Pro bono development projects

- (a) Development tasks are not to be undertaken without the prior consent and approval of one of the following parties:
  - (i) The Director, or Deputy Director, of the OMB.
  - (ii) The President, or any officer acting at the direction of the President.
  - (iii) The United States Congress, through resolution, per [H.R. 2702](#)
- (b) Development products shall be thoroughly tested, quality assured and, where issues arise, corrected before they are released publically.

##### Section 3. Gamepasses

- (a) Gamepasses must not damage the exclusivity of an item.
  - (i) For example, items that are created and designated for the specific and exclusive use of one element, be it a federal agency or department, must not be sold as part of a gamepass package.
- (b) Gamepasses must not cause undue imbalance to the combative or other elements of Washington, D.C
- (c) To better keep track of the effectiveness of gamepasses allowing developers to improve profitability, the leadership of the OMB will keep a sheet, or other form of record, noting each gamepass and its income.

#### Section 4. Departments & Agencies

- (a) Equipment for departments and agencies must be obtained through a formal request, approved by the senior hierarchy of the requesting agency and the Director or Deputy Director of the OMB before it may be implemented.
- (b) Section (a) may be circumvented if a joint resolution of the United States Congress orders the issuance or removal of equipment from a government element.
- (c) Equipment being introduced to DC must adhere to the following terms:
  - (i) The exclusivity of already existing items must not be affected.
  - (ii) The equipment must not cause undue imbalance to elements of Washington, D.C.
  - (iii) The equipment must not cause an undue burden on memory usage or other performance aspects of DC.
- (d) Equipment may be removed from Washington D.C at the order of the Director of the OMB or Executive Office of the President for any of the following reasons:
  - (i) The equipment is obsolete, not functional or otherwise no longer required.
  - (ii) The equipment is causing damage to performance.
  - (iii) The equipment has caused an imbalance or other unfair scenario to be created at Washington D.C.
- (e) Alternatively, equipment may be removed from Washington D.C by an act of congress, as proscribed by H.R 2702.

#### Section 5. Review of current equipment

- (a) It is hereby ordered that the OMB undertake a review of all currently issued weapons, vehicles and other equipment issued to Departments and Agencies of the United States.
  - (i) Equipment will be checked against all effective legislation, including but not limiting to:
    - (1) [S. 2712](#)
    - (2) [S. 2601](#)

- (3) Any other applicable legislation restricting the issuance of firearms.
- (ii) Equipment will further be checked to ensure its balance, fairness and consistent performance.
- (b) Where equipment is found to be in violation of any of the provisions set out above, it will be removed at the nearest possible date.

It is so ordered.
