

## THE WHITE HOUSE

### WASHINGTON

December 3, 2018

Speaker Joseph Hamilton  
President Pro-Tempore Leo0816  
United States Capitol  
Washington D.C.

Dear gentlemen,

I write to inform you of my intention to invoke Section III of the 15th Amendment to the United States Constitution for an indefinite period of time in order to handle some pressing real life matters that have come to fruition in recent times.

As the Amendment proscribes, Vice President Creppygoo will discharge the office as Acting President during my leave. I will not extend this period unnecessarily, however as you will understand real life takes precedence over anything else.

I will be available for contact via discord or any of the external communication methods that I have provided to people for this purpose, should it be required.

Sincerely yours,

A handwritten signature in black ink, appearing to read "Bruce Snyder".

Bruce A. Snyder

**24th President of the United States**
