

**THE WHITE HOUSE  
WASHINGTON**

October 15, 2018

FOR IMMEDIATE RELEASE

With the power vested in me as President of the United States, I hereby sign the following acts of Congress into law:

- [Hayes Waiver](#)
- [Federal Courts standards & procedure Act](#)

**FURTHER**, with the power vested in me as President of the United States under Article 1, Section 7 of the Constitution, I hereby veto the following legislation:

- [Discord Punishment Act](#)

This bill attempts to regulate an entity that is outside the scope of the United States government. The Federal Court recognized that our discord is the personal property of the Founder.

In the event that I were to sign this bill, it would be unenforceable anyhow. Neither of our 3 branches of government hold any influence over the operations of Group Managers. The unruly punishments being handed on discord are a matter for the Founder to handle, not our legislative.
